Welche Farbe muss der letzte Smiley haben?

Fange immer fünf Pinguine ein!

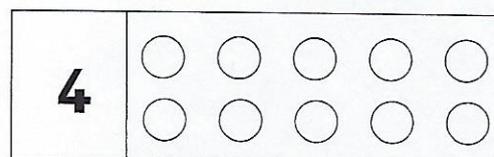

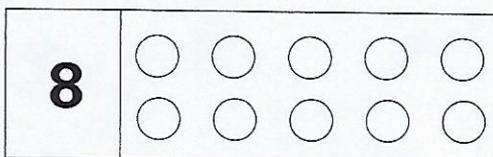

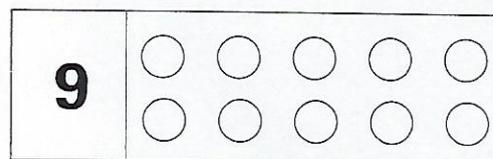

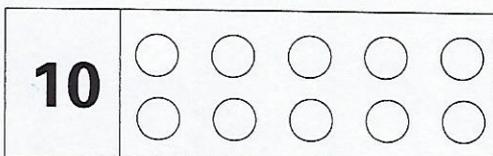

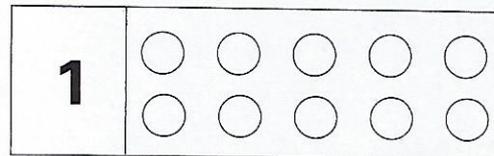

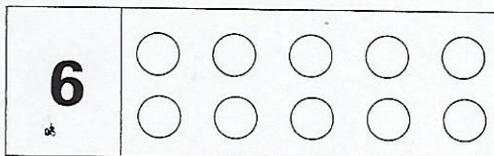

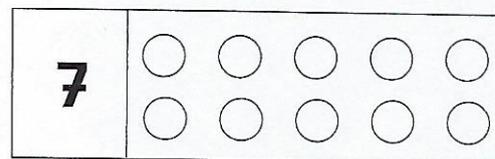

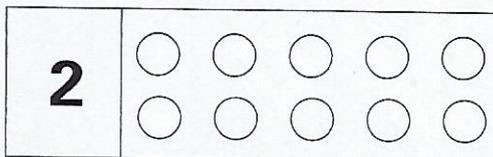

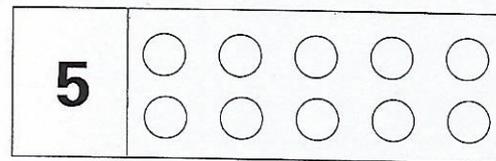

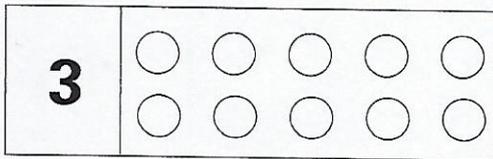

Auf diesem Bild kannst du sechs Dinge finden, die nicht zum Winter passen.

## M 3

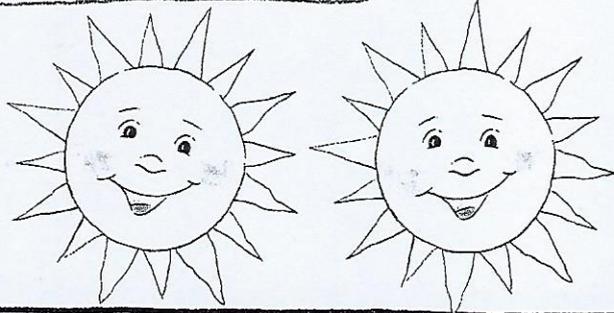

## Wie viele Punkte sind farbig?

Die Zahl in dem Kästchen sagt dir, wie viele Punkte du ausmalen darfst.

Stimmt die Zahl vorne? Zähl alles nach. Streiche, was zu viel ist und male dazu, was fehlt!

Kannst du die Zahlen schon schreiben?  
Versuche es doch mal mit vielen verschiedenen Farben.

# Zählen bis 5

Zähle die Dinge. Zeichne eine Linie zur richtigen Anzahl.
